Dishonoring a Noun

His henchmen can't possibly subsist
on half-mil a year moans the banker.
& If we, triple-fucked USA, insists,

he'll lose this “talent.”
I use talent, say, to refer.
to the pianist who studies

at conservatory & goes on
through a series of demanding
teachers, until pronounced fit

to play in public. Such a person
deserves our support, not those

smashing the keyboard
with both fists during
masturbation fantasies.
